## ► HOW TO USE THE TERMINAL

### **Please note**

to receive by email the pass to enter the fairground it is mandatory the payment of a security deposit by credit card. Please make sure you have enough plafond.

To remind and help you with the payment of the deposit, the system will send you an alert by SMS 24 hours before the day you reserved. When payment is done, the system will generate a PASS, to be used by the driver of the registered vehicle.

We hardly suggest you to pre-register, book and pay online, in order to avoid delays or problems of any kind on site. A help desk for assistance will be available on site.

**When exiting the fairgrounds, you must stop to allow the Terminal Service attendants to read the QRCode shown on your receipt or pass**

### **Please note**

All vehicles and people entering the fairground must register to **BolognaFiere PASS platform**.

When arriving at the terminal parking area , the staff on site **will check the QR Code** on the PASS and the vehicles will be sent to Michelino gate where the driver will receive a receipt as shown below.

The receipt will indicate the time of entering and the time by which the vehicles must leave the fairground to avoid being charged of the amount held as security deposit.

By the exit, the staff on site will check and scan the receipt:

- If the exit occurs **within** the scheduled time, the amount held on the credit card will be automatically released and will be available within 5 days from the exit date.
- If the exit occurs **after** the scheduled time, the amount held on the credit card will be automatically charged. Within 5 days from the exit date, an invoice will be sent by email.

### **Please note**

money refund depends on bank circuit used. It may take up to 5 days.

BolognaFiere will check all the logistic operation within the fairground through an integrated logistic control system. The security deposit will not be charged if the exit is delayed due to reasons beyond driver control.

**NOTE: Any complaints must be communicated within 12 hours from the end of the service.**

The driver will be given a receipt showing the exit time by the exit.
