SPECIAL INITIATIVES

18/20 June 2020

CORE OF THE EXHIBITION: INTELLIGENT FACTORY INNOVATION TUNNEL

Now in its 7th edition, the Core of the Exhibition, the Intelligent Factory Innovation Tunnel is a demonstrative installation available to all industrial companies of any size, with the aim of informing visitors of major steps are required when looking to become an intelligent factory, by demonstrating functional supply chains, created thanks to the cooperation of veritable enterprise networks. The initiative conveys the determining role 4.0 technologies play across different sectors and applicative contexts developed throughout MECSPE exhibition events. In an increasingly computerised world, industry too is becoming more and more interconnected.

TOPICS

Tecnologie avanzate di lavorazione • Connettività e strumenti per la piccola impresa • Robotica collaborativa

- Sviluppo prodotto con metodica 4.0 Simulazione di prodotti e processi Tracciabilità Manutenzione predittiva
- Additive Manufacturing
 Logistica 4.0

THEMATIC DISTRICTS

These areas are arranged by products and allow exhibitors to ensure maximum visibility for their innovative products. At the meantime, they help visitors identify the best solutions and find their way through the trade fair thanks to specific signs.

TOPICS

Foundries and die-casting • Precision machining • Small parts • Composites • Innovative materials • Moulds and moulding plastics • Rubber

MECHANICS AND PLASTICS PROCESSING AND TRANSFORMATION ISLANDS

Operating machinery at the exhibitors' stands, to whom MECSPE ensures special forms of visibility. The processing islands are used to demonstrate a particular type of processing or end product for a specific sector.

TOPICS

Food • Automotive • Consumer goods • Plastic moulds • Logistics • General mechanics • Medical • Packaging

MECSPE DIGITAL FACTORY WORKSHOPS

A workshop which showcases the testimonials of businessmen and opinion leaders who recount their own experience of the transformation process currently under way in new factories and will engage in a talk on the competitive future of made in Italy manufacturing. On occasion of the debate, territorial data from the MECSPE. Observatory will be presented, along with short-term and forecast analyses of SMEs in central northern Italy.

Participation in special initiatives is reserved for exhibitors who submit their application to Senaf by 29/06/2019. For further information, please write to mecspe@mecspe.com

THE ADVANTAGES FOR THE EXHIBITORS

18/20 June 2020

EXHIBITING AT MECSPE MEANS ENJOYING VARIOUS ADVANTAGES, SUCH AS

- Meeting the decision-makers
- Interacting with international buyers and making use of a business matchmaking service
- Exhibiting in a venue that is close to Italy's main industrial districts
- Providing invited clients with a parking space
- Digital communication tools to consolidate and communicate your presence at the event
- Visibility generated by an intense communications campaign in Italian and international specialised publications and national and local newspapers.

 page (over 50,000 contacts)
- CUSTOMISED TNT SHOPPER BAGS in 1 colour
- CATERING ACCESSORIES (sugar sachets, tablets and placemats in the refreshment points throughout the trade fair)

EXHIBITING AT MECSPE

18/20 June 2020

The stand is the most visible element and must be designed according to your target and the corporate image you want to communicate. The function of the stand varies depending on whether you want to just showcase products, demonstrate the use of machines and devices, or welcome your clients in a lounge and refreshment area. Once you've identified the type of stand you need, you can choose how to fit it out.

Turnkey formula: provided by the event's official fitter;

Standard pre-fitted stand: mandatory for stands measuring up to 24 m2;

Prestige pre-fitted stand: for stands measuring 32 m2 or more. In addition to the advantages of the standard pre-fitted

ones, this type of stand allows for great customisation with a vast selection of furnishings and colours;

Raw space: fit-out to be carried out by the exhibitor, starting from 24 m2.

Available sizes

- 8 m2 with 1 open side 16/20/24 m2 with 1 open side 32/48 m2 with 2 open sides from 64 to 96 m2 with 3 open sides
- 160 m2 isles with 4 open sides, up to a maximum of 189 m2 for each exhibitor.

RAW SPACE

The solution for companies with their own booth, starting from 24 m2 for € 190,00 per m2 Quota Iscrizione € 550,00

STAND WITH BASIC FITTING

Area starting from 16 m2 - Mandatory fitting for stands measuring up to 24 m2

This formula includes: area with 1 open side, fabric walls (h.3 metres), sign with company name, carpet, a table, 3 chairs, courtesy kit for hanging signs (4 hooks with wire) waste basket, coat hanger, power and lighting, daily cleaning.

€ 277,00 per m2 (area € 190,00/m2 + fit-out € 87,00/m2) Quota Iscrizione € 550,00

1x1 m closet upon request: € 130,00 (indicative cost)

STAND WITH PRESTIGE FITTING

Area starting from 32 m2

This formula includes: area, fabric walls (h.4 metres), carpet (colours to be chosen from the range available), sign with company name, closet, reception desk with stools, furnishings, courtesy kit for hanging signs (4 hooks with wire) Wi-Fi, daily cleaning.

€ 320,00 per m2 (area € 190,00/m2 + fit-out € 130,00/m2) Quota Iscrizione € 550,00

START FORMULA 8m2

Reserved for first-timers only

Includes: area with 1 open side, fabric walls, sign with company name, carpet, table, chairs, courtesy kit for hanging signs (4 hooks with wire) waste basket, coat hanger, daily cleaning, lighting and power, registration fee.

€ 3.000,00 all inclusive - Registration fee included

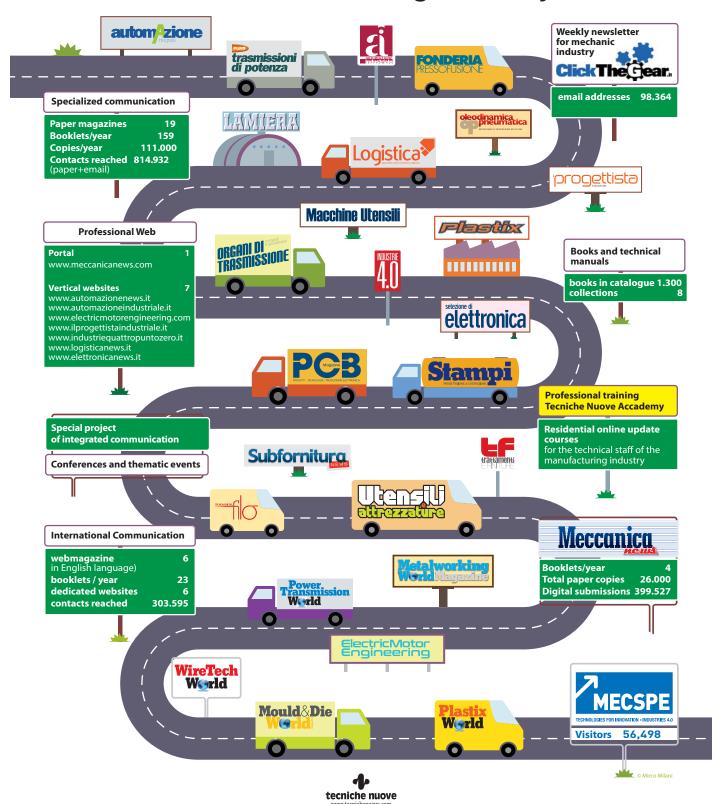

^{*} Additional open sides: +7% each - * all costs are VAT excluded You can view the various types of fit-out and furnishings (display cases, All stand images are purely indicative. chairs, etc.) in the part of the official fitter's website dedicated to exhibitors
